

Modar Barakat Issa

ARCHITECT

✉ modrissa94@gmail.com ☎ +(963) 951-659-557 📍 Damascus - Syria 📅 2000-07-22

PROFILE

Architect with 2+ years of on-site and design experience, combined with a strong background in humanitarian infrastructure. As a founding member of local initiatives, I've specialized in school rehabilitation and field coordination. Currently pursuing a Master's in Urban Planning, I aim to bridge technical architectural solutions with community-led recovery projects within the NGO sector.
